Sophomore Kevin Gillis in varsity action against Doherty High

We didn't know how good we were. After two and a half weeks of preparation, we opened under the lights at Marlboro on Sept. 14, 1982. Marlboro scored first at 14:37 of the first quarter. Sophomore Kevin Gillis tied the score at 3:47 of the second quarter. Gillis' goal was the beginning. There would be no looking back. St. John's soccer would be tops in Central Mass. In that Marlboro game, goalie Ken Nydam shut Marlboro out the rest of the way. St. John's had tied the number one team in Central Mass.

In regular season play, the varsity team compiled a record of 12-3-2. All three losses were by only one goal each. The team captured the

Central Mass. Championship. Junior Glenn Melia led all scorers with 26 goals and 2 assists, while Senior Gary Henrich was second in team scoring with 4 goals and 8 assists. Though the team had a potent scoring attack, the defense was likewise outstanding. Ken Nydam (.91 goals against average) backed up by Junior Mike Coombs (.65 goals against average) played goal. Fullbacks were Juniors Peter Michelson and Russell Joralemon along with Freshman Chris Wydom.

In the District E play-offs, St. John's defeated Doherty in the quarter-finals 3-2 as Glenn Melia scored with 68 seconds left in regulation

to break the 2-2 tie. In the semi-finals, SJ lost 3-2 to North High in sudden death overtime.

As for post season honors, Glenn Melia was chosen to the C M C All-Star team, the T & G All-Star team (Captain), and the Mass. State All-Stars. Peter Michelson was chosen to the C M C All-Stars, the T & G All-Stars, and the Central Mass Coaches' All-Stars. C.M.C. All-Stars also included Richard Roncone, Russell Joralemon, Chris Wydom, and Kevin Gillis.

The J.V. led by George Benoit (7 goals, 5 assists) posted a 12-2-1 record. The J.V. season was high-lighted by Mr. Brian Foley's 50th victory as J.V. coach.

Cross Country Qualifies for State Meet

At District III Meet on a rainy October Saturday morning (l-r) Dan Hoaglund, Richard Serra, Dennis Sullivan

The St. John's Cross Country team had a very successful season finishing with a record of 12-2. The season opened with a close scrimmage against the Holy Cross J.V. H.C. captured the first three places, but St. John's had the next five. It was evident that St. John's had a very tight pack that would be hard to beat. Throughout the season, St. John dominated most of its competition. Top twelve runners included Seniors Mike Cahill, Dan Hoaglund and Peter Pratt; Juniors Jim Ball, Rich Serra, Dennis Sullivan, Mike Thompson, Brian Akerley, and Pat Sweetman; Sophomores Brian Gilmartin and Dave Hight.

The Wachusett Invitational was the team's first chance to race against top competition from other schools. The team finished third in the Class A race. The best news of the day was the J.V. race won by Junior Mike Thompson. The Knights of Columbus Road Race gave the runners the chance to compete with 150-200 boys from other high schools for personal rewards. St. John's runners captured 12 of the 50 available trophies. Jim Ball, Mike Cahill, and Dennis Sullivan lead the way with 5th, 10th, and 14th place respectively.

St. John's finished a close second to Fitchburg in the CMC championship race. Jim Ball (2nd place), Mike Cahill (7th), and Rich Serra were selected as CMC All-Stars for their excellent performance.

Coach Richard Houston timed the team to peak at the rain-stricken Districts at Green Hill Golf Course. SJ finished second two points behind Auburn, which SJ had defeated two weeks earlier. Jim Ball led the team with a tenth place finish.

The J.V. team finished the season undefeated. The top J.V. runners included Bob Martin, Barry Grahn, Bob Michaud, Chris Byrne, and Arnie Arsenault. — Dennis Sullivan '84

The theme for the 1982-1983 Pioneer Basketball Teams was success. The varsity was 12-0 at one point in the season and 19-3 overall. The hoopsters gained two out of three titles. Coach Foley's Redmen captured the Central Mass. Conference League Championship, the Telegram & Gazette Class A Championship, and were District E Semi-finalists. One novelty during the season was the game against rival St. Peter-Marian at the Worcester Centrum before the Holy Cross-Maryland game.

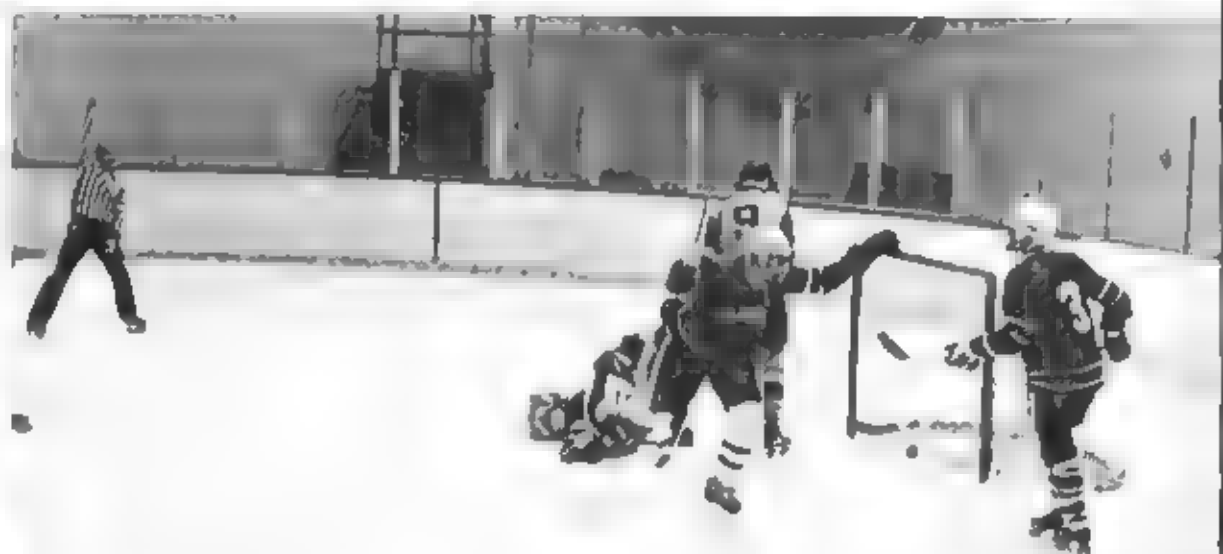

Success continued for the sub-varsity teams. Coach Pepi's Junior Varsity cruised to a 15-2 record, while Coach Lahey's Frosh indicated with their 16-3 record that their time, in turn, will come. — Sean McShea '83.

The St. John's Varsity Hockey Team completed its season with a respectable record of 14-5-3. The team was lead by captain Matt Gilmartin, one of the top defensemen in Central Mass. In addition to Matt Gilmartin, the team will be losing Mike Garvey, John Standing, Bill Ordung, Stu Downer, Joe Joubert, Chet Hallice, and Assistant-Captain Mike Giles to graduation.

The team entered the play-offs in a tie for second place with the Marlboro Panthers. The Pioneers had to meet the Panthers in the first round and defeated them 2-1 in overtime on a goal by Junior Rich Kuzmeski. This win brought St. John's to Webster Square Arena to face the Guardians of St. Peter-Marian in the District Finals. Despite a valiant effort by goaltender Chet Hallice and some great opportunities by the forwards, St. Peter's went on to win the game 3-1.

The Pioneers had three representatives on the T&G All Star Team: Matt Gilmartin, Joe Joubert, and Chet Hallice. — Mike Giles '83

St. John's Math Team, in its sixth year, had a most successful season. The varsity, led by Junior Jeff Kalb, who was high scorer in the league, placed third in the Worcester County Math League, after winning the second annual Assumption College Math Competition in April. For the third successive year, the team competed in the State Math Meet. The team finished fourth in its division and qualified, for the first time, for the New England Math Meet. There, the team beat out two teams it had lost to in the State Meet to take third out of seventeen schools in its division. In addition, Senior Thad Stappenbeck and Sophomore Jay Coskie received top scoring awards for their efforts. Junior Michael Hildreth and Sophomore Eliot Levitt joined Stappenbeck, Kalb, and Coskie in quali-

fying for the nineteen-man Western Mass. All-Star team which tied for first in its division at the Atlantic Regional Mathematics Meet held on June 4th at Penn State University.

Thad Stappenbeck was high scorer from St. John's for the second straight year in the National High School Mathematics Exam, while Kalb and Coskie each finished in the top one hundred students in the state-wide Math Olympiad.

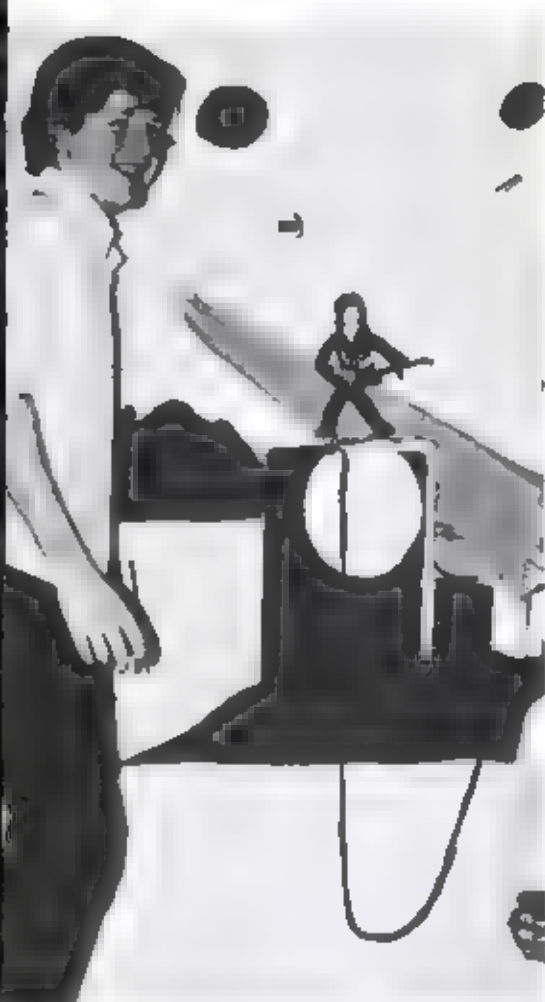

On the Freshmen level, our team finished third in the Ninth Grade Division in the Worcester County Math League. Brian Keevan was the high scorer for the team.

Father Buckley gives Communion to Peter Cope

At reception Jim Drumstas & Morgan Hanlon

It is no mere coincidence that we, the Christian Community of Saint John's High School, gather here today to celebrate the rites of passage of the Class of 1983. "Nothing is left to chance with the Lord," so entones Father Bernard Gilgun time and time again at St. Anne's Parish ... "Nothing is left to chance with the Lord."

And so, it was no mere coincidence that we as a community of God's people invoked the power of the Holy Spirit as the Class of '83 gathered together for the first time one late September morning on Pioneer Field almost four years ago. And, it is without a doubt the will of the Lord that once again brings us together today, on this high and holy feast of Pentecost, as we celebrate the birth of the universal Church. John's gospel account of this event could not be more timely: "Peace be with you, as the Father sent Me, so I send You."

It is with the same mixture of pride, joy and even anxiety that the apostles felt, that the Xaverian Brothers and the lay members of the Saint John's community, join with parents, grandparents, relatives and friends of the Class of '83 as we send you forth.

During the past four years, all of us have grown spiritually, academically and socially. We've tasted success, coped with frustration, and lived through defeat. But, long after the once vivid memories of these experiences have faded, I hope and pray that the friendships that were footed in a classroom, on a playing field, at a lenten prayer service, at a Parents' Council meeting or at a Fall Auction will be as vibrant as the day they were first conceived. For friendship is indeed a timeless gift. In speaking of friendship, the great twentieth-century French author and philosopher, St. Exupery says: "It is only with the heart that one can see clearly. What is essential is invisible to the eye."

To each of us, graduates, parents, and teachers the words of Thomas Merton seem to have a special meaning:

My Lord God, I have no idea where I am going.
I do not see the road ahead of me
I cannot know for certain where it will end.
Nor do I really know myself, and the fact that
I think that I am following your will does not
mean that I am actually doing so.

But, I believe that the desire to please you
does in fact please You
And I hope that I will never do anything
apart from that desire.
I know that If I do this You will lead me
by the right road, though I may know nothing about it.
Therefore, I will trust you always, though I may
seem to be lost.
I will not fear, for you are ever with me and
You will never leave me to face my perils alone.

Nothing is left to chance with the Lord

Graduates of the Class of 1983, we the Community of St. John's High School, join with your parents as we say: Go Forth! God-speed! God Bless! We love you. — from the Mass' Meditation (Mr. Paul M. Jourcin)
